

Welcome

The 1770 House was built more than 250 years ago as a private residence and is now a world-class inn and restaurant. Beautiful ocean beaches are nearby, as is shopping, additional dining, and a number of opportunities to immerse yourself in arts and culture. Whatever you decide to do, our staff is here to help you make the most of your stay.

Restaurant

The 1770 House restaurant and Tavern are open seven nights a week, beginning at 5:30 p.m., except Christmas Eve and Christmas Day. There is a bar in the Tavern, open during dinner service but you are welcome to have a drink in the parlor at any time. Room service is available (an 18% gratuity will be added).

Dining

In addition to our own award-winning restaurant, and our partner restaurant, Cittanuova, there are many others in the area. Within walking distance are coffee shops and take-out, as well as casual and fine dining establishments. Our knowledgeable staff is happy to make a recommendation.

Complimentary Breakfast

Included in your stay is a complimentary breakfast, served daily from 8:30 to 10 a.m. In the summer, a hot breakfast is served in the main dining room. During the off-season, hot breakfast is served on weekends only and a Continental breakfast is served on weekdays.
