

Welcome

The 1770 House was built more than 250 years ago as a private residence and is now a world-class inn and restaurant. Beautiful ocean beaches are nearby, as is shopping, additional dining, and a number of opportunities to immerse yourself in arts and culture. Whatever you decide to do, our staff is here to help you make the most of your stay.

Dining

The 1770 House restaurant is open seven nights a week, beginning at 5:30 p.m. There is a bar in the Tavern with limited hours, but you are welcome to have a drink in the reception lounge area at any time. Room service is available (an 18% gratuity will be added).

In addition to our own award-winning restaurant, there are many others in the area. Within walking distance are coffee shops and take-out, as well as casual and fine dining establishments. Our knowledgeable staff is happy to make a recommendation.

Included in your stay is a complimentary breakfast, served daily from 8:30 to 10 a.m.
